Dear Mr. Sitsanthaparn,

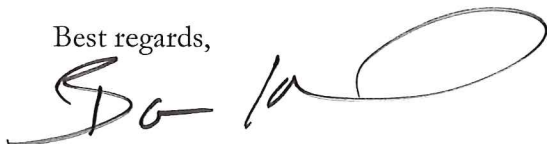

This letter serves to inform you that the Asia Society Texas Center recognizes the Muay Thai Alliance of Texas (MTAT) as the State's first organization dedicated to the preservation and promotion of the art and sport of Muaythai, its functions, and its mission.

Since Muaythai is a registered National Treasure of the Kingdom of Thailand, the Asia Society Texas Center supports the Alliance's effort to repeal the current legislation that puts Muaythai's "regulation" in the hands of the Texas Department for Licensing and Regulation (TDLR) and restore all regulatory responsibility to the Alliance and the appropriate entities whom have been granted the legal right to serve in said capacity.

The cultural, philosophical, and physical aspects of Muaythai are intertwined.

As such, the Asia Society Texas Center supports the Muay Thai Alliance of Texas's campaign to repeal the current State statues regarding the art and sport of Muaythai.

Best regards,

Bonna Kol
